It was agreed that both organizations feel the events (boat parade by Krewe of Kolossos, fireworks, picnics, parties) have grown to the extent that the City of New Orleans needs to provide police oversight for public urination, very loud music, large scale fireworks and the like, as well as and traffic control, trash control/ more temporary receptacles, and port-o-lets. Jillian will be in touch with Susan Guidry to discuss how to address this issue.
3. Bonnie Boyd and Mary Lou Main attended the meeting to discuss the ongoing issues of non-permitted parties on the Magnolia Bridge. Jessica will collect written complaints from the neighbors affected and arrange a meeting with the Quality of Life Office and the Mid City Security District.
4. Jessica passed out updated MCSD crime camera program documents for the board to review.
5. Deena presented a 3-year comparative financial report. Deena will check on the 2014 Night Out income for T-shirt sales and plant sales, which were not recorded. She will also check on the increasing cost of the post office box.
